

I begin by acknowledging that Thompson Rivers University is located on the traditional and unceded lands of the Tk'emlúps te Secwépemc within Secwépemc'ulucw.

As an international student from Nigeria pursuing a Post-Baccalaureate Diploma in International Business, I bring a unique global perspective and a proven record in people management, advocacy, and humanitarian service. My background has equipped me with a deep commitment to selfless service and the ability to represent diverse viewpoints effectively. I am dedicated to leveraging this experience to be a passionate and articulate advocate for the TRU student body, ensuring your academic and campus life concerns are heard and addressed at the Senate level with integrity and unwavering dedication.
